

Exceed expectations

Enhance your advisory role with the Paychex Partner Program

Accounting firms are facing new challenges, from the transition to Client Advisory Services (CAS) to capacity planning and finding and keeping staff in a difficult job market. Navigating these challenges calls for a different perspective. It's time to rethink human resources, so you can support the well-being of your employees, manage your HR workload, and focus on your business goals.

With your referral, your clients receive:

- **One month of free payroll, HR and retirement services**
- **Six-month, money-back satisfaction guarantee on payroll and retirement services***

Get ahead of the compliance curve

Given the complexity of compliance obligations, your clients likely need help navigating how they'll stay current with ever-changing regulations.

Support your clients and enhance your CAS offering using the expertise of more than 200 compliance analysts from Paychex who monitor changes to regulations, laws and payroll-related taxes at the federal, state and local level. Access compliance resources through the Paychex Partner Program.
